

OVER THERE

Sipping coffee,
Soaking sunshine,
A friend takes

a big
dive for a
volleyball.

Babies swim in
the shallow
pool.

Platter of
cookies and savory
foods,

The smell
of sumptuous
meats

cooking on
the grill,
mixed with

our banana-
flavored
sunscreen.

Dolce &
Gabbana, Chanel,
Louis Vuitton.

Looking good and clean
every day—
that's our ethic.

What's that?

Yes, we know that people are dying over there.
